Re: Lafreniere v. United States; D. Mass. CA No. 04-40070

Dear Judge Collings:

To date, I have not heard back from the Court pertaining to the above-referenced civil action. As your Honor is aware, on June 20th, 2006, you allowed a postponement so the Government had an opportunity to review all of the facts and paperwork regarding my claim. On August 8, 2006, I wrote the Court and asked if it were possible to schedule another conference so we may resolve this matter without any further delays. I still have not received a response to that letter and hope it was not lost in the mail.

Can you please respond as to the Court's intentions at your earliest convenience? I truly appreciate any assistance you can offer in this matter and hope the Court would move towards Summary Judgement in my favor.

Sincerely,

Daniel E. Lafreniere
